In response to
a portion of Pec's
reply that I restored
Service @ 7134 Seaford
I do not have any
knowledge of even
being able to do
anything such as
this accusation
I will take a LIE
DETECTOR TEST on
that, and past with
flying colors. I have
no record and Court
and never would ever
know how to do that
and secondly I did
not and don't do any
thing illegal. co.

C-2013-2398953

I am not going
to let them even
tell me that. I
Stayed places, I
have no friends
in Upper Darby period
I go to Work Church
Petershall I go
home I sing
Just like now.

I did not go around
broadcasting I had
no power at that
house. I came in
got my stuff and
Stayed where I stayed
no bodies business
but mine. I let
the power stay off
until I could pay

When I left on
a Friday - There
was no power.
When I came home
on a Saturday afternoon, opened
my door. The hall
light was on. I
said how are the
lights on to myself
I live by "FAITH"
not sight. ~~So~~ I
saw this a miracle
maybe someone helped
me. So I will not
feel bad there. I
was struggling, and
making whatever
ends meet.

The payment arrangement
was high I tried
to pay and could
not. If I don't
get a reasonable
amiable payment
schedule, my next
step will be to
Bankruptcy Court
to discharge this
matter.

Sincerely
Yours,

Taney
