Dear Mr. Fulson:

Your letter of March 10, 2003, has been deemed to be a Petition for approval of transfer of license at docket number A-125049, from Nicole Energy Services, Inc., to Nicole Energy Marketing, Inc., d/b/a Nicole Energy and Power Corp. Title 52 Pa Code section 62.112 provides as follows:

- a) A license may not be transferred without prior Commission approval. See section 2208(d) of the act (relating to requirements for natural gas suppliers). Approval for transfer shall be obtained by petition to the Commission. A license application shall be filed by the transferee at the same time that the petition for transfer is filed and demonstrate the transferee's financial and technical fitness to render service under the transferred license.
- b) A licensee may not abandon its license without providing 90 days prior written notice to the Commission, the licensee's customers, the affected distribution utilities and suppliers of last resort. The licensee shall provide written individual notice to its customers at approximately 90 days and 60 days preceding the effective date of the abandonment.

Please note that pursuant to 62.112(a), the transferee, Nicole Energy Marketing, Inc., d/b/a Nicole Energy and Power Corp, must file a license application which demonstrates its financial and technical fitness to render service under the transferred license. Upon receipt of said application by this office, the matter will be assigned to the Bureau of Fixed Utility Services for appropriate review and action.

Please refer to 52 Pa Code, §62.103, §62.104, and §62.107, which references specific Licensing Requirements for Natural Gas Suppliers. Also note that an original application and an original verification statement, i.e., containing a signature in ink, must be filed together with 3 copies thereof, pursuant to 52 Pa Code, §1.36 and §1.37.

Sincerely,

James J. McNulty
Secretary
