2. The allegations in paragraph two (2) of the Complaint are admitted.
3. The allegations in paragraph three (3) of the Complaint are admitted.
4. The allegations in paragraph four (4) of the Complaint, although conclusions of law to which no answer is required, are admitted.
5. The allegations in paragraph five (5) of the Complaint are conclusions of law to which no answer is required and the language of 58 Pa.C.S. § 2302(f) speaks for itself.

6. The allegations in paragraph six (6) of the Complaint are conclusions of law to which no answer is required and the language of 58 P.S. § 2301 defining “vertical well” speaks for itself.

7. The allegations in paragraph seven (7) of the Complaint are conclusions of law to which no answer is required and the language of 58 P.S. § 2301 defining “stripper well” speaks for itself.

8. The allegations in paragraph eight (8) of the Complaint are conclusions of law to which no answer is required and the language of 58 P.S. § 2303(a) speaks for itself. To the extent an answer is deemed required SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it is required by law to have paid for the years 2011 and 2012.

9. The allegations in paragraph nine (9) of the Complaint are conclusions of law to which no answer is required and the language of 58 P.S. § 2308(a) and 61 Pa.Code § 4.2 speak for themselves. To the extent an answer is deemed required, SBI denies that it is in any way delinquent in its payment of “impact fees” and “administrative charges.” On the contrary, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it is required by law to have paid.

10. The allegations in paragraph ten (10) of the Complaint are conclusions of law to which no answer is required and the language of 58 P.S. § 2308(b) speaks for itself. To the extent an answer is deemed required, SBI denies that it is in any way delinquent in its payment of “impact fees” and “administrative charges.” On the contrary, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it is required by law to have paid.

11. The allegations in paragraph eleven (11) of the Complaint are conclusions of law to which no answer is required and the language of 58 P.S. § 2310 speaks for itself. To the

extent an answer is deemed required, SBI denies that it has failed in any way to pay the statutorily mandated “impact fees” and “administrative charges.” On the contrary, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it is required by law to have paid. By way of further answer, the Complaint further fails to set forth any conduct on the part of SBI which would justify the imposition of a “civil penalty.” the happening of any such conduct being expressly denied.

12. The allegations in paragraph twelve (12) of the Complaint are admitted.

13. The allegations in paragraph thirteen (13) of the Complaint are admitted in part and, in part, denied. It is admitted that SBI filed timely Annual Reports with the Commission for calendar years 2011 and 2012. It is denied that Attachment A to the Complaint is a complete copy of the Annual Report SBI filed for 2011. On the contrary, and as alleged in New Matter, a true and correct copy of the Annual Report filed by SBI for 2011 is attached hereto as Exhibit SBI-1. It is further denied that Attachment B to the Complaint is a copy of the Annual Report SBI filed for 2012. On the contrary, the Annual Report SBI filed for 2012 did not contain any handwritten notations on Exhibit B, page 1 of 2, or on Exhibit B, page 2 of 2.

14. The allegations in paragraph fourteen (14) of the Complaint are admitted. By way of further answer, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it is required by law to have paid.

15. The allegations in paragraph fifteen (15) of the Complaint are conclusions of law to which no answer is required. To the extent an answer is deemed required, SBI denies that it has failed in any way to pay the statutorily mandated “impact fees” and “administrative charges”, or that it incorrectly or improperly characterized any well in its Calendar Year 2011 Report. On

the contrary, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it is required by law to have paid; and, the Fiscal Office has incorrectly construed the applicable law.

16. The allegations in paragraph sixteen (16) of the Complaint are conclusions of law to which no answer is required. To the extent an answer is deemed required, SBI denies that it should have paid an Impact Fee on any well listed in paragraph sixteen (16) of the Complaint. On the contrary, each well listed in paragraph sixteen (16) of the Complaint is, by definition, a “stripper well” as defined in 58 Pa.C.S. § 2301 and, therefore, SBI is not, and was not, required to pay any fees with respect to such wells.

17. The allegations in paragraph seventeen (17) of the Complaint are admitted in part and denied in part. It is admitted that for 2011 SBI paid an Impact Fee of \$170,000.00 and an Administrative Charge of \$850.00 based on the number of wells it identified as wells for which such fees were due. It is denied that SBI should have identified an additional 24 wells. On the contrary, SBI identified all wells for which an Impact Fee or Administrative Charge was due for 2011.

18. The allegations in paragraph eighteen (18) of the Complaint are denied. On the contrary, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it was required by law to have paid. By way of further answer, and as set for in the attached New Matter, the Pennsylvania Public Utility Commission (“PUC”), after receipt of SBI’s 2011 Annual Report, sent SBI an Impact Fee Statement requesting payment of Impact Fees in the amount of \$170,000.00, which SBI paid prior to September 1, 2012. Accordingly, SBI denies that any further moneys are owed for Calendar Year 2011.

19. The allegations in paragraph nineteen (19) of the Complaint are denied. On the contrary, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it was

required by law to have paid. By way of further answer, and as set for in the attached New Matter, the Pennsylvania Public Utility Commission, after receipt of SBI's 2011 Annual Report, sent SBI an Impact Fee Statement requesting payment of Impact Fees in the amount of \$170,000.00, which SBI paid prior to September 1, 2012. Accordingly, SBI denies that any further moneys are owed for Calendar Year 2011.

20. The allegations in paragraph twenty (20) of the Complaint are admitted. By way of further answer, SBI has paid, on a timely basis, all "impact fees" and "administrative charges" it is required by law to have paid.

21. The allegations in paragraph twenty-one (21) of the Complaint are admitted.

22. The allegations in paragraph twenty-two (22) of the Complaint are conclusions of law to which no answer is required. To the extent an answer is deemed required, SBI denies that it has failed in any way to pay the statutorily mandated "impact fees" and "administrative charges", or that it incorrectly or improperly characterized any well in its Calendar Year 2012 Report. On the contrary, SBI has paid, on a timely basis, all "impact fees" and "administrative charges" it is required by law to have paid; and, the Fiscal Office has incorrectly construed the applicable law.

23. The allegations in paragraph twenty-three (23) of the Complaint are conclusions of law to which no answer is required. To the extent an answer is deemed required, SBI denies that it should have paid an Impact Fee on any well listed in paragraph twenty-three (23) of the Complaint. On the contrary, each well listed in paragraph twenty-three (23) of the Complaint is, by definition, a "stripper well" and therefore SBI is not, and was not, required to pay any fees with respect to such wells.

24. The allegations in paragraph twenty-four (24) of the Complaint are admitted

25. The allegations in paragraph twenty-five (25) of the Complaint are denied. On the contrary, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it is required by law to have paid.

26. The allegations in paragraph twenty-six (26) of the Complaint are denied. On the contrary, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it is required by law to have paid.

27. The allegations in paragraph twenty-seven (27) of the Complaint are admitted only to the extent that a notice was received. It is specifically denied that SBI owes any unpaid “impact fees” or “administrative charges.” On the contrary, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it is required by law to have paid.

28. The allegations in paragraph twenty-eight (28) of the Complaint are admitted to the extent SBI timely responded to the Fiscal Office’s letter of November 25, 2013. By way of further response the content of SBI’s response, attached to the Complaint as Attachment C speaks for itself and SBI has paid, on a timely basis all “impact fees” and “administrative charges” it is required by law to have paid.

#### COUNT ONE

30. The allegations in paragraph thirty (30) of the Complaint are conclusions of law to which no answer is required. To the extent an answer is deemed required SBI denies that it has failed to pay for on a timely basis any “impact fees” or “administrative charges” otherwise due for 2011. On the contrary, for 2011, SBI has paid, on a timely basis, all “impact fees” and

“administrative charges” it is required by law to have paid for 2011 and is not in violation of any statutory requirement.

**COUNT TWO**

31. SBI hereby incorporates, as if set forth herein, its responses to paragraphs one (1) through and including twenty-eight (28) of the Complaint as its answer to paragraph thirty-one (31) of the Complaint.

32. The allegations in paragraph thirty-two (32) of the Complaint are conclusions of law to which no answer is required. To the extent an answer is deemed required SBI denies that it has failed to pay for on a timely basis any “impact fees” or “administrative charges” otherwise due for 2012. On the contrary, for 2012, SBI has paid, on a timely basis, all “impact fees” and “administrative charges” it is required by law to have paid for 2012 and is not in violation of any statutory requirement.

**RELIEF REQUESTED**

33. The allegations in paragraph thirty-three (33) of the Complaint are conclusions of law to which no answer is required. To the extent an answer is deemed required SBI denies that Complainant is entitled to any relief.

WHEREFORE, SBI respectfully requests that the Complaint be dismissed with prejudice.

18. Exhibit C to the 2012 Annual Report states that SBI, in good faith, believed it operated 28 gas wells during 2011 for which an Act 13 impact fee or administrative charge was due.

19. On April 2, 2013 Ms. Yvonne Hess, a representative of the PUC, sent SBI an e-mail (“Hess E-Mail”) informing SBI that “the problem with [SBI’s 2012 Annual Report] is the Vertical Wells that are producing over 90 MCF in any one given month during the year. If a Vertical does produce over 90 mcf in just one month it is to pay the fee for the entire year. The additional 21 Vertical wells are directly attributable to the production data submitted in you (sic) Exhibit C. Please let me know if you have any questions.”

20. A true and correct copy of the Hess E-Mail is attached hereto as Exhibit SBI-5.

21. SBI responded to the Hess E-Mail by advising representatives of the Fiscal Bureau of the PUC that it disagreed with the Fiscal Bureau’s interpretation of the term “stripper well” set forth in 58 Pa.C.S. § 2301, and that each well SBI had listed as a “stripper well” in SBI’s 2011 Annual Report and its 2012 Annual Report qualified as such, by virtue of its production history for such year.

33. The Administrative Charges imposed by Act 13 constitute a "tax" within the meaning of that term as used in 1 Pa.C.S. § 1928(b)(3).

34. The Complaint fails to state a claim upon which any relief can be granted.

35. There exists no mechanism whereby SBI could have paid the amount of any "impact fees" or "administrative charges" which it disputed "under protest," or such other manner whereby it could have any successfully disputed "fees" or "charges" returned to it.

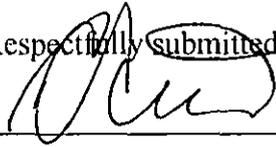

36. There exists no mechanism where the PUC can "refund" any "impact fees" or "administrative charges" which were paid but are subsequently determined to not be due and owing or otherwise to have been erroneously paid.

37. By virtue of its own actions or inactions the Complainant is not entitled to recover interest, penalties or any "civil penalty" in this proceeding.

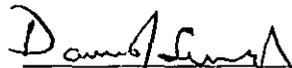

38. The Complaint fails to allege any facts which would support imposing any type of "civil penalty" against SBI.

WHEREFORE, SBI respectfully requests that the Complaint be dismissed with prejudice; together with such other relief as is just and proper.

RE: Act 13 Impact Fee Reporting

To Whom It May Concern:

This letter is to update the Commission on the status of all Snyder Brothers, Inc.'s unconventional wells for the impact fee year of 2012. **All of our unconventional wells are Vertical Wells.** Attached you will find three (3) Exhibits that detail the status of all Snyder Brothers, Inc.'s unconventional vertical wells.

- Exhibit "A" lists all of the active vertical unconventional wells that are subject to the impact fee. The wells are notated to indicate whether this is the 1<sup>st</sup> year the well is paying the impact fee or if the well paid the impact fee for 2011.
- Exhibit "B" lists all of the wells that are not subject to the impact fee, along with an explanation detailing why they are not subject.
- Exhibit "C" further details the 2012 monthly production history for all wells identified as "stripper wells" on Exhibit "B".

If you have any questions, please feel free to call me at 724-548-8101.

Sincerely,

SNYDER BROTHERS, INC.
