

To: Whom it may concern I Sherry Dixon
do not agree with Judge David Sulph.

~~Decision~~ Decision on my Peco bill do to
them changing the meter out one to two
days before the hearing when I asked.

For a meter change for years also
due to Peco saying my bill was
high because of appliance I do
not use in my house hold and
no longer have in my house hold. They
claim the bill was high because of
space heaters I no longer have nor
use over a year now. And my bill is
still extremely high. Thank you
