SECRETARY'S BUREAU

Dear Secretary Chivetta:

Please accept this response as our affidavit that operations of our company ceased on November 2, 2013 providing transportation service for household goods in use as authorized by our Certificate shown above.

This response also seeks approval from the PUC a Voluntary Suspension of our existing operating authority to transport household goods, in use for one year. This request is being made as our nephew has an interest in purchasing our household goods authority for himself. Our nephew has extensive experience in the Moving Industry currently driving for a national van line.

This response also respectfully request a waiver of the \$500.00 fine. It is a very large amount for me at this time in our lives.

My letter previously sent to you (copy enclosed) was incorrect in its terminology of " cancel the PUC # A-001149976 authority for household moves".

I respectfully request the Pennsylvania PUC to waive the proposed fine of \$500.00 and approve our Petition allowing me to have enough time to make arrangements with my nephew who has an interest in acquiring Pennsylvania intrastate household goods in use authority through a transfer.

Respectfully Yours,

Lyle C. Arana, Owner

Lyle C. Arana

Attn: Wendy:

This is notice that Lyle C Arana d/b/a Lyle's Moving is canceling the PUC # A-001149976 Authority for Household moves, due to the fact that Insurance needed to operate has been raised too high and business has been down, and I can not afford to operate at this time.

If possible, and things change we may request to resume operations, but can not do so at this time.

PUC# A-00114976 Household Moves.

Thank You,

Lyle C. Arana
