RE: C-2014-2404252

To Whom It May Concern:

Attached is our application to obtain a Waiver of Vehicle Age Requirements. Upon learning about the restrictions in regards to the age requirements we immediately took action to follow the necessary steps in order to become compliant with PUC regulations.

First, we set up an appointment with our fleet maintenance provider, "West Goshen Automotive" located in West Chester Pa to ensure our vehicle remains mechanically operational and is flawless cosmetically. Next, after reviewing the documentation online and the information we received in the mail we prepared the necessary application.

The application is attached with photos that confirm the vehicle is in excellent condition, photo of odometer that shows with low miles, and maintenance records, and the bill of sale.

We do have an excellent record with the PUC and we kindly request that we be granted the opportunity to set up an inspection as soon as possible in order to continue to provide our clients with excellent service in a safe and compliant vehicle.

Additionally we respectfully request that the violation amount of \$500.00 that has been assessed to us be waived, as we had no knowledge the non-compliance of this code.

Sincerely,

Natalia Sara-Alkurdi
