**Re: Mike Kusturiss, Jr., v. Columbia Gas of Pennsylvania, Inc.**  
**Complaint Docket No. C-2013-2385910**

Dear Ms. Chiavetta:

Pursuant to Section 5.24 (b) of the Commission's regulations, Columbia Gas of Pennsylvania, Inc. hereby represents and certifies to the Commission that the referenced Formal Complaint has been resolved to the satisfaction of the Complainant.

Complainant and Columbia Gas have reached agreement for the resolution of this Complaint as follows: Columbia Gas understands that Complainant has elected to receive natural gas supply from a private gas well and to obtain such back up service as he determines to be appropriate. Beginning June 1, 2014, Columbia Gas will no longer provide distribution gas service to Complainant and will remove the meter from the property. Complainant is satisfied and has indicated he does not wish to pursue this complaint.

I hereby certify that a copy of this certification is being served upon the Complainant, via regular U.S. mail, on the above date. Unless the Complainant objects to this certification within 10 days of filing, I presume this complaint will be deemed withdrawn

Sincerely,

Larry R. Crayne
