Response to Complaint: Docket No. C-2014-2404571

To the PA PUC BUREAU OF INVESTIGATION & ENFORCEMENT

From David Marks Azar TA DMA Transportation PUC # A-00123191
PO Box 483
Bryn Mawr, PA 19010

Authorized Officer: BIANCO # 50

Dear Sirs/Madams,

We are not in violation of 52 Pa. Code 29.504 because our organization does have driver histories on file, and they are available upon request. In order to expedite the filing of the report by Officer Bianco we gave him the requested driver's license numbers and names and he stated he would pull the records himself. We thought we were in compliance.

Thank you.
