Re: **Gary L. Hoover Trucking, Inc.; Docket No. C-2014-2404517; Our File No. 29,795**

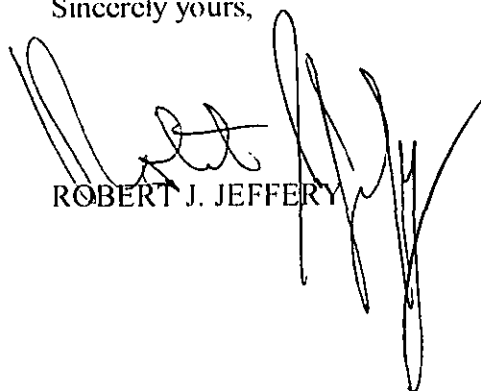

Dear Mr. Scott:

I represent Gary L. Hoover Trucking, Inc. and its sole shareholder, Gary L. Hoover. The company has a Certificate of Public Convenience issued at No. A-00106166. Gary Hoover is the sole owner of this corporation and operated a tri-axle dump truck. Last fall he had a stroke and has sold the lone truck owned by the corporation. He requested that his accountant prepare the necessary documents to cancel his Certificate of Public Convenience. Unfortunately, that was not completed prior to the issuance of the Complaint at the above number.

On March 6, 2014 I spoke with David Canzoneri, Compliance Specialist with the Bureau of Technical Utility Services. He recommended that I prepare and present to you the enclosed request that the rights granted to Gary L. Hoover Trucking, Inc. be cancelled. I would respectfully request that be done. Further, based on the facts as set forth above, I would respectfully request that the proceedings at the above number be cancelled and no fine be assessed.

Thank you for your consideration in regard to this matter. If you should have any questions, or require additional information or documentation, please feel free to contact me.

Sincerely yours,

ROBERT J. JEFFERY
