

Dear Secretary ,
Pennsylvania Public Utility Commission,

March 11, 2014
DOCKET NO. C-2014-2407148

In December 2013, my former insurance carrier, Hub International, neglected to inform PUC of my current insurance necessary to operate my transportation business, in Pennsylvania. I was fully insured to operate in all 50 states, including the District of Columbia, with \$1,500,000.00 insurance. At no time, since the inception of my company, LL Trolley Express, LLC (DBA LL Transit Express), has been without the necessary insurance to operate legally. My current insurance company, Craig Friedly, Potter & Moore, of Waynesboro PA, has filed the necessary paperwork to PUC, as of March 10, 2014. Please advise me any further filings, if necessary, to have my company legally recognized by PUC. Thank you for your time.
