SECRETARY'S BUREAU

Dear Ms. Chiavetta:

I want to call to your attention an error in the publication notice involving the above application. This application was filed on a form entitled "Application for Broker for Passengers" and paragraph 9 of the application clearly indicated that the service proposed was: "To arrange for the transportation of passengers between points in Pennsylvania". Notwithstanding this fact, the publication in this week's Pennsylvania Bulletin indicates that the applicant is seeking authority to transport persons as a contract carrier between points in Pennsylvania. This is not the authority being sought by the application. Rather, the application seeks authority to provide service as a passenger broker arranging transportation of persons between points in Pennsylvania.

If this error requires that the application be republished, please arrange to have the application republished as soon as possible.

Sincerely,

VUONO & GRAY, LLC

William A. Gray
