 Re: PLC # A8911341

Dear Mr. Scott,

I am writing this letter in response to the complaint that has been filed with you for David's Transport Inc. I have had a new insurance policy through Northland Insurance Company since January 8th 2014. At the time I started the new policy, I spoke with Clyde Moore at TBS and requested that proof of insurance be filed & mailed to you. Proof of insurance was mailed out on January 9th. I was under the impression this was taken care of until I received notice in the mail. I immediately spoke with PUC and my insurance company to request form E proof of insurance be filed with you. There was a mixup at the insurance company & they didn't file the right form and also neglected to put my PUC number on the form. Hopefully this issue has been resolved with the filing of the appropriate paperwork. I am also requesting that you waive the 500⁰⁰ penalty since the appropriate paperwork is being filed with your office within the 20 day allotted time period. Thank you for your cooperation & kind attention to this matter.

Sincerely, David F. White
