Re: Plymouth Rock Energy, LLC update and amendment to License A-2013-2384046

Dear Secretary,

Plymouth Rock Energy, LLC (“Plymouth”) was granted a license by the Pennsylvania Public Utility Commission to supply Natural Gas Services to the Public in the Commonwealth of Pennsylvania on December 5, 2013 in Docket A-2013-2384046. At this time, they would like to amend their initial license to include the Columbia Gas of Pennsylvania service territory and update the contact information on their application. As indicated in Section 11, Plymouth plans to offer service to residential, commercial, industrial, and governmental customers.

Included with this submission are revised application pages 2 and 6 with updated Sections 2b and 10 reflecting the requested additional service territory and contact information change. Also included is a copy of a letter from Columbia Gas of Pennsylvania confirming that Plymouth has met current credit requirements and proof of service indicating a copy of this filing has been provided to the Office of Consumer Advocate, Office of the Attorney General, Office of the Small Business Advocate, the Commonwealth of Pennsylvania Department of Revenue and Columbia Gas of Pennsylvania. Plymouth previously posted notice of their intent to serve customers throughout Pennsylvania in all six newspapers required by the PUC when they filed their original application.

Please do not hesitate to contact me with any questions or concerns regarding this submission.

Respectfully Submitted,

Dear Rob:

We are pleased that Plymouth Rock Energy LLC (“Plymouth”) is providing Natural Gas Supply Service on the distribution system of Columbia Gas of Pennsylvania, Inc. (“Columbia Gas”).

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, PLYMOUTH is required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. We have determined that PLYMOUTH has satisfied this bonding and other financial security requirement to provide Natural Gas Supply Service to Columbia Gas customers. This was conditioned on the receipt of a deposit from PLYMOUTH in the amount of \$5,000. We are acknowledging receipt of such deposit, and through this letter, Columbia Gas is notifying PLYMOUTH that it currently meets Columbia Gas’ bonding or other financial security instrument requirement under paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas.

If the creditworthiness circumstances or Columbia Gas’ exposure to Plymouth change in the future, Columbia Gas might deem it appropriate to require PLYMOUTH to increase the deposit or provide a bond or other financial security instrument.

In the meantime, please feel free to contact me at 614-460-6841 if you have any questions now or in the future regarding the bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell
Manager of Choice and Nominations
