PECO ENERGY COMPANY	:	

MOTION FOR CONTINUANCE OF HEARING DATE

PECO Energy Company ("PECO Energy"), pursuant to 52 Pa. Code § 1.15(b), hereby requests a continuance of the hearing date scheduled in this matter and states the following:

1. An initial in-person further hearing for this matter is currently scheduled to take place today, Friday, March 28, 2014, at 1:30 p.m.
2. PECO Energy requests an emergency continuance of this matter.
3. The further hearing was scheduled so that PECO Energy could put on the testimony of a high bill field witness to testify regarding the investigations and meter tests that took place at the Complainant's service address.
4. The technician that performed the high field investigation is on Short Term Disability leave; and therefore, cannot be present at the hearing to testify.
5. PECO Energy intended to produce the testimony of the technician's direct supervisor, High Bill Foreman, Thomas Lerro. However, Mr. Lerro's wife was rushed to the emergency room this morning and hospitalized with a heart condition. Mr. Lerro is now not available to testify at the hearing this afternoon.
6. Accordingly, PECO Energy respectfully requests an emergency continuance of this matter.

7. PECO Energy has reached out to the Complainant, George Gadsden to advise him and obtain his consent for the continuance. However, the company has been unable to reach Mr. Gadsden by email or telephone.

8. The Prehearing Order in this matter states that requests for a continuance are only granted "in rare situations where good cause exists." (Prehearing Order, citing 52 Pa. Code § 1.15).

9. PECO Energy avers that "good cause" exists to continue the scheduled hearing to another date because PECO Energy's high bill field witness is unavailable.

10. PECO Energy therefore respectfully requests that the hearing be continued to a further date.

Respectfully Submitted,
