PUBLIC STATEMENT OF THE
OFFICE OF CONSUMER ADVOCATE
PURSUANT TO 71 P.S. SECTION 309-4(e)

Act 161 of the Pennsylvania General Assembly, 71 P.S. Section 309-2, as enacted July 9, 1976, authorizes the Consumer Advocate to represent the interests of consumers before the Pennsylvania Public Utility Commission (Commission). In accordance with Act 161, and for the following reasons, the Consumer Advocate determined to file an Answer and Intervene in the proceedings before the Commission involving PECO Energy Company (PECO or the Company).

On March 10, 2014, PECO filed its Petition for Approval of its Default Service Plan for the Period from June 1, 2015 through May 31, 2017 (DSP III or the Program) pursuant to 66 Pa. C.S. § 2807(e) of the Pennsylvania Public Utility Code, the Default Service Regulations of the Pennsylvania Public Utility Commission (Commission), and the Commission's Policy on Default Service. PECO seeks approval for default service programs and procurement plans for the period of June 1, 2015 through May 31, 2017. PECO proposes to acquire supply for residential customers through a blend of laddered one-year and two-year full requirements products, with six months spacing between the start of the contract delivery periods, a long-term product, and some spot purchases. The Company proposes to modify its rate design and cost recovery mechanism for the Generation Supply Adjustment (GSA) from a quarterly reconciliation to a semi-annual reconciliation for residential customers. PECO's filing also proposes to continue the Standard Offer Program and to commence several new programs including a Seamless Moves Program, Instant Connect Program, and allow new customer account number access for EGSs.

The Consumer Advocate determined to intervene in this proceeding to protect the interests of PECO's residential customers. The Consumer Advocate will seek to ensure that any

default service Plan meets the requirements of Act 129 and that any rates that result from this proceeding are just and reasonable, consistent with Pennsylvania law. The Consumer Advocate will also seek to ensure that any programs that are considered are reasonable, in accordance with the law, and provide benefits to all consumers without harming default service, the retail market, or consumers.
