Dear Sir:

Under date of January 15, 1986 the Secretary's office transmitted to you the Commission's compliance order of January 10, 1986, evidencing approval of the above carrier's application at A-00106548, which is in effect a transfer of the rights formerly held by Robert F. Gruber at A-00082095. The letter transmitting the order directs attention to the requirement for the filing of a tariff.

In accordance with the provisions of PA Code, Title 52, Section 23.13(c), you should immediately arrange to file adoption supplements with us whereby the tariff of the former operator will become the tariff of the latter, and no change in rates is permitted to cover the transfer of rights. To assist you in meeting this tariff requirement, we are enclosing three copies of the necessary supplement to be properly executed by you, the original and one copy of which must be returned to us for filing and the remaining one to be retained for your records.

We also notice that rates for a part of the authorized service of Robert F. Gruber are provided in tariffs published by Pennsylvania Motor Truck Association, Inc. Should you elect to participate in the agency publications, two copies of a suitable power of attorney should be included with the filing. If you do not elect to participate in the agency publications a new tariff or tariffs should be filed containing the same rates, rules and regulations published by the agency for a minimum of 30 days.

The matter should be given prompt attention, as a certificate of public convenience will not be issued until full compliance with the Tariff Regulations has been met and if not completed within the time set, approval of the application is subject to rescission. Upon the proper filing of the adoption supplements, accompanied by two copies of the power of attorney, the tariff requirements will be satisfied.
