O R D E R

BY THE COMMISSION:

This matter comes before the Commission on an application filed September 27, 1985. Public notice of the application was given in the Pennsylvania Bulletin of October 19, 1985. No protests were filed and the record is certified to the Commission without an oral hearing.

The applicant shows current assets of \$12,560 with outstanding liabilities of \$5,000. The applicant currently has no Pennsylvania intrastate operating authority nor does it hold any interstate authority.

The applicant proposes to purchase all of the transferor's motor carrier trucking rights at A-00082095 for a total consideration of \$2,500.00 that will be paid upon the Commission's approval of the instant application.

The transferor shows gross revenue for 1982 of \$4,221, \$5,529 for 1983, and \$4,762 for 1984. All of the transferor's due assessments have been paid and all reports have been filed.

We find:

1. That the applicant is fit to hold a certificate of public convenience.
2. That there is a continuing necessity for the rights herein involved.
3. That approval of the instant application is necessary for the continuation of service to the public; THEREFORE,

IT IS ORDERED: That the application for the transfer of the rights held by Robert F. Gruber at A-00082095 be and is hereby approved and that a certificate be issued to the applicant granting the following rights:

To transport, as a Class D carrier, household goods and office furnishings in use, between points in the borough of New Brighton, Beaver County, and within ten (10) miles by the usually traveled highways of the limits of the said borough.

To transport, as a Class D carrier, household goods and office furnishings in use from points in the borough of New Brighton, Beaver County, and within ten (10) miles by the usually traveled highways of the limits of said borough to points in Pennsylvania within forty (40) miles by the usually traveled highways of the point of origin, and vice versa.

with the above rights further subject to the following general conditions:

- (1) That the approval hereby given is not to be understood as committing the Commission, in any proceedings that may be brought before it for any purpose, to fix a valuation on the property and rights to be acquired by applicant from the present certificate holder equal to the consideration to be paid therefor, or equal to any value that may be placed thereon by applicant, or to approve or prescribe rates sufficient to yield a return thereon.
- (2) That the applicant charge to Account 1550, Other Intangible Property, \$2,500.00, being the amount of the consideration payable by it for the right and going concern value attributable thereto; less any amount recorded under condition 1 above.

- (3) That the certificate holder shall comply with all of the provisions of the Public Utility Law as now existing or as may hereafter be amended, and Pa. Code Title 52, Chapter 31, as now existing or as may hereafter be amended, and any other rules and regulations as may hereafter be prescribed by the Commission. Failure to comply shall be sufficient cause to suspend, revoke or rescind the rights and privileges conferred by the certificate.

IT IS FURTHER ORDERED: That issuance of the certificate is contingent upon receipt of transferor's 1985 annual report.

IT IS FURTHER ORDERED: That the applicant shall not engage in any transportation granted herein until it shall have complied with the requirements of the Public Utility Code and the rules and regulations of this Commission relative to the filing and acceptance of evidence of insurance and a tariff establishing just and reasonable rates.

IT IS FURTHER ORDERED: That in the event said applicant has not, on or before sixty (60) days from the date of the service of this order, complied with the requirements hereinbefore set forth, the application shall be dismissed without further proceedings.

IT IS FURTHER ORDERED: That upon compliance with the requirements of the Public Utility Code relating to insurance and the filing and acceptance of a tariff establishing just and reasonable rates, a certificate issue evidencing the Commission's approval of the right to operate as above determined.

IT IS FURTHER ORDERED: That the authority granted herein, to the extent that it duplicates authority now held by or subsequently granted to the carrier, shall not be construed as conferring more than one operating right.

IT IS FURTHER ORDERED: That upon compliance with this order the rights granted the transferor, Robert F. Gruber at A-00082095 be cancelled and the record be marked closed.

BY THE COMMISSION,

Jerry Rich  
Secretary
