RE: A-00106548

To Whom It May Concern,

The Bureau of Transportation & Safety is conducting a survey of all passenger and household good authority in the Commonwealth of Pennsylvania. We are requesting all PUC authorized carriers to provide us with a list of all vehicles that could possibly be available on a voluntary basis in case of a need for evacuation due to an emergency situation in the Commonwealth of Pennsylvania.

Thank you for your help.

Sincerely,

Wendy J. Keezel, Manager
PUC Compliance Office

Re: Participants in PMTA's Household Goods Carrier's Tariffs

RECEIVED
SECRETARY'S BUREAU
99 OCT 13 AM 8:47

To whom it may concern:

By letter dated July 28, 1999, Elizabeth J. Fischer, Director of Meeting Services/Tariffs, Pennsylvania Motor Truck Association (PMTA), advised all Public Utility Commission (Commission) certificated household goods carriers participating in PMTA's household goods freight tariffs, that PMTA would be canceling all of PMTA's tariffs effective October 28, 1999.

As of the date of this correspondence, the Commission has not received a new tariff on your behalf, containing rates which would replace the PMTA rates, nor has the Commission received evidence of your participation in the tariffs of another tariff agency which currently has rates on file with this Commission for the transportation of household goods, in use.

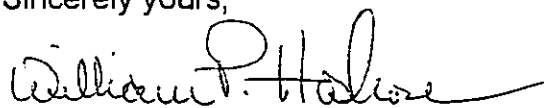

It will be necessary that the Commission receive, no later than fifteen (15) days from the date of this correspondence, a tariff which contains rates which are equal to the PMTA rates which were on file with this Commission, or a tariff indicating your participation in the tariffs of a tariff agency which has rates on file with this Commission for the transportation of household goods, in use. Should you decide to file a tariff containing individual rates, rather than participate in a tariff agency's rates, and the proposed rates are higher than those of PMTA, the newly filed rates will be considered a rate increase, and will require financial justification demonstrating that the proposed rates are reasonable and just.

If your household goods authority is not being exercised, and you wish removal of the right(s) which authorizes the transportation of household goods, in use, please contact the Compliance Office, Applications Unit, at (717) 783-5946, for information on how to eliminate the right(s). Should there be any questions regarding the filing of a new tariff, please contact Monroe Dove at (717) 787-5945.

EEF

Should you fail to file the necessary tariff within the allotted time, the Commission will institute a complaint, which can result in the cancellation of your certificate of public convenience.

Sincerely yours,
