DOCUMENT
FOLDER

PREHEARING ORDER

This application was originally filed by Duquesne Light Company on March 4, 2005 for authorization to site and construct a 138 kV transmission line in Hampton and McCandless Townships, Allegheny County. On or about October 6, 2005, Duquesne Light Company filed an Amended Application which, among other things, altered the proposed siting to include certain areas in Ross Township, Allegheny County. This Order amends the caption of this proceeding to reflect that change. This Order also consolidates for purposes of consideration and disposition the Complaint of Mark R. Janosko who filed a formal complaint on March 13, 2006. Mr. Janosko's complaint opposes the Amended Application being considered herein.

Prehearing conferences were held in this matter on March 23, 2006 and on April 6, 2006. Attending one or both of those conferences, among others, were counsel for the Applicant Duquesne Light Company, Mark R. Janosko, Terence, Dolores and Thomas Nypaver, Oleg Lapets, Bruce Krist, Dave Milkey, Gordon Higgins and Bruce Betty. Various

representatives of the townships involved as well as several representatives of Duquesne Light Company were also present.

In consideration of the discussions held, the following Order is entered:

THEREFORE, IT IS ORDERED:

1. That the caption of this matter be changed to read as follows: Amended Application of Duquesne Light Company for the Siting and Construction of a 138 kV line in Hampton, McCandless and Ross Townships, Allegheny County.

2. That the complaint of Mark R. Janosko v. Duquesne Light Company at Docket No. C-20065987 is hereby consolidated with this matter for purposes of consideration and disposition.

3. That the following individuals are designated formal protestants to this Application: Terence, Dolores, Thomas and Matthew Nypaver; Oleg Lapets; Bruce Krist; Pawel Kalinski and Anna Wankowicz-Kalinska.

4. That public input hearings concerning this Application will be held at the Ross Township Municipal Building, 1000 Ross Municipal Drive, Pittsburgh, PA as follows:

Tuesday, June 27, 2006 at 1:00 p.m. and 7:00 p.m.

Wednesday, June 28, 2006 at 7:00 p.m.

5. That evidentiary hearings will be held in this matter on July 11, 12, and 13, 2006 in the State Office Building at 300 Liberty Avenue, Pittsburgh. These hearings will be for the purpose of the Applicant to present its technical evidence in support of its Application and may not require sessions to be held on all scheduled days.

6. That Complainant Janosko, and the formal protestants, the Nypavers, Kalinskis, Lapets and Krist, in addition to testifying at the public input hearings, may present evidence and cross-examine witnesses on their own behalf at the evidentiary hearings scheduled in this matter.

7. That all expert testimony to be presented at the scheduled evidentiary hearings must be in writing and served on all other parties and the presiding officer no later than June 20, 2006. Two additional copies must be submitted to the presiding officer at the time they are offered into the record.

8. That for the duration of this proceeding, Duquesne Light Company will continue to maintain a copy of its Amended Application available for public inspection during usual business hours at the Northland Public Library and at the Hampton Library.

9. That the Applicant Duquesne Light Company shall cause the publication of notice of the hearings scheduled in this matter pursuant to the Commission's regulations at 52 Pa. Code Section 57.75, et seq.
