The Assets proposed to be transferred by the Applicant consist of 110 street light luminaires; 99 street light brackets; and 2 poles. Also Included in the

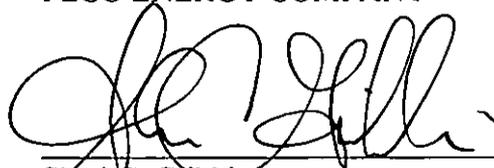

sale are the existing conductors extending from the luminaires to the Applicant's secondary wires in the case of aerial-fed lights.

WHEREFORE, Applicant prays that your Honorable Commission issue a Certificate of Public Convenience evidencing its approval of the proposed transfer and such other relief as may be necessary.

AGREEMENT OF SALE

This agreement of sale (the "Agreement") is made this 29th day of July 2005 ("Effective Date") by and between North Coventry Township, Commonwealth of Pennsylvania (the "Township") and PECO Energy Company (the "Company"), a Pennsylvania Corporation with offices located at 2301 Market Street, Philadelphia, Pennsylvania 19103, acting by and through its agent, Exelon Business Services Company.

BACKGROUND

A. The Street Lighting Facilities (as defined hereinafter) installed on the dedicated streets and highways in the Township and on municipal property within the boundaries of the Township is owned, operated and maintained by the Company; and

B. The Township desires to purchase and the Company desires to sell the Street Lighting Facilities upon the terms and conditions contained herein.

NOW, THEREFORE, in consideration of the mutual covenants, representations, warranties and agreements hereinafter set forth, and intending to be legally bound hereby, the Parties agree as follows:

1. For the Purchase Price (as defined below) and subject to the terms and conditions herein, the Company agrees to sell to the Township, and the Township agrees to purchase from the Company the Street Lighting Facilities.

2. The Company will sell and transfer all of its rights, title and interest in and to its existing street lighting facilities presently located on dedicated streets and highways and on municipal property situate in the Township and more particularly described on Exhibit A attached hereto (the "Street Lighting Facilities"). The Street Lighting Facilities consist of the following: (i) One hundred ten (110) street light luminaries, existing conductors extending from the luminaries to the Company's secondary wires in the case of aerial fed light; (ii) Ninety nine (99) street light brackets; and (iii) Two (2) poles.

3. The purchase price for the Street Lighting Facilities is ELEVEN THOUSAND SEVEN HUNDRED TEN DOLLARS and 82/100 (\$11,710.82) (the "Purchase Price") payable by check made out to PECO Energy Company or by such other means as are agreed upon by the Company and the Township.

4. The Township acknowledges that it has examined the Street Lighting Facilities as fully as it has desired. It is expressly agreed that the Street Lighting Facilities are being sold AS IS. Any and all implied warranties, including implied warranties of merchantability or fitness for a particular purpose or arising from any course of dealing or usage of the trade are hereby expressly disclaimed and excluded, as well as all other obligations or liabilities on the part of the Company and its agents, employees and representatives.

5. As between the parties, title to the Street Lighting Facilities shall be deemed to have passed from the Company to the Township as of the date of this Agreement of Sale, subject however to the approval thereof as may be required by the Pennsylvania Public Utility Commission (the "PUC") pursuant to the Public Utility Code of the Commonwealth of Pennsylvania, the PECO Energy Company Electric Service Tariff ("Tariff") and any other applicable Commission requirements.

6. Electric service for the Street Lighting Facilities has been provided pursuant to Tariff rate SL-S. Upon the Effective Date, service will be provided pursuant to Tariff rate SL-E. The Township acknowledges that without the sale of the Street Lighting Facilities it would not qualify for rate SL-E and that the change in service is being provided with an expectation that the sale will be approved. In the

event that the proposed sale of the Street Lighting Facilities is rejected, in whole or in part, by the PUC, or the sale is set aside by the PUC, the Township acknowledges that, with regard to any Street Lighting Facilities whose ownership is not transferred to the Township, Public Utility Law and PUC Regulations require that the Township pay for service to those facilities under the SL-S rate. Upon issuance of any Final Order by the PUC denying a transfer of ownership, in whole or in part, Company shall have the right and shall be entitled to recover from the Township an amount of money equal to the difference between what the Township paid to the Company under rate SL-E and what the Township should have paid to the Company for electric service under rate SL-S for the applicable Street Lighting Facilities.

7. The Township agrees to indemnify, hold harmless and defend the Company and its officers, employees, agents, and representatives, from and against: (i) any claim, demand, cause of action, loss, expense or liability on account of injury to or death of persons (including employees, workers, and agents of Township, Company, and Township's subcontractors and suppliers) or damage to or loss of property (including property of the Company) arising on or after the date of this Agreement of Sale, directly or indirectly out of the ownership, operation, grounding, lack of grounding, maintenance or repair of the Street Lighting Facilities, and the grounding or lack of grounding of the metal poles to which the Street Lighting Facilities are attached, or from any act or omission of the Township or any of its sub-contractors or employees (including the actual or potential contributory or comparative negligence of any employee or agent of the Township making such claim), including any claims, loss, or liability arising under non-delegable duties of the Company, or arising from the use or operation by the Township or its contractors of construction equipment, tools, scaffolding, or facilities, or work-sites furnished to the Township or its contractors by the Company, even if such claim arises in whole or in part from the negligence, fault, or other liability of the Company, whether actively or passively, and including any expenses and attorney's fees incurred by the Company for investigation, defense, and resolution of such claim and in any legal action to enforce the Township's indemnification obligations under this article; and (ii) any claim, demand, cause of action, loss, expense or liability arising by reason of claims by governmental authorities or others (including the Township subcontractors and employees of the Township, the Company, subcontractors and suppliers) of any actual or asserted failure of the Township to comply with any law, ordinance, regulation, rule or order of any governmental or quasi-governmental body, provided that compliance by Township therewith was required under law, or otherwise, including without limitation actual or asserted failure of the Township to comply with employee safety orders or safe work place or employment laws.

8. The Township shall not assign its interest in this Agreement without first obtaining the prior written consent of the Company.

9. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors, and, to the extent that assignment is permitted, their assigns.

10. This Agreement shall be governed by, and construed in accordance with, the laws of the Commonwealth of Pennsylvania.

11. The entire agreement between the parties is herein written, and the parties shall not be bound by any agreements, understandings or conditions other than are expressly set forth and stipulated in this Agreement or in any subsequent written Agreement signed by the parties hereto.
