3. PECO Energy Company (Applicant) is a Pennsylvania Public Utility Corporation supplying, among other things, electric energy to the public in the County of Delaware, Commonwealth of Pennsylvania.
4. The Borough of Glenolden, (Transferee) is an entity located in Delaware County in the Commonwealth of Pennsylvania.
5. Applicant and Transferee are not affiliated.
6. Applicant proposes to transfer by Agreement of Sale to Transferee certain street lighting facilities (Assets), presently owned by Applicant and dedicated to street lighting service on dedicated streets and highways located on and within the boundaries and property of the Transferee Borough. The Assets proposed to be transferred by the Applicant consist of 366 street light luminaires; 359 street light brackets; and 4 poles. Also Included in the

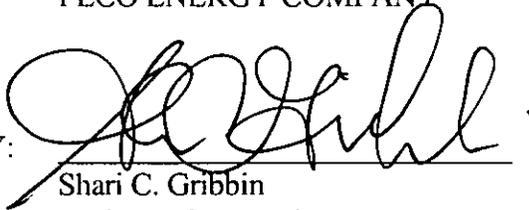

sale are the existing conductors extending from the luminaires to the Applicant's secondary wires in the case of aerial-fed lights.

7. The terms and conditions of the transfer are set forth in a proposed Agreement of Sale, a copy of which is attached hereto as Exhibit "A," and made a part hereof.
8. The consideration for the transfer of the Assets is Twenty Nine Thousand Dollars and 08/100 (\$29,000.08). The value of the Assets is determined from equipment vintage and original cost and is developed in Exhibit "B," attached hereto and made a part hereof, which consists of a schedule showing original cost to the Applicant, Depreciation Reserve, Remaining Cost, and the Purchase Price of each unit.
9. The facilities were installed by the Applicant, at the Transferee's request at various times and locations. All installations and previous billings for the equipment were made in accordance with the then applicable Rules and Regulations and Rates of the Applicant. The Transferee has requested that Applicant sell the Assets to it.
10. The proposed transfer is necessary, proper, and in the public interest because it relieves the Applicant of the ownership cost of the Assets and in recognition thereof the annual charges to the Transferee will be reduced by converting from Rate SL-S to Rate SL-E.

WHEREFORE, Applicant prays that your Honorable Commission issue a Certificate of Public Convenience evidencing its approval of the proposed transfer and such other relief as may be necessary.

AGREEMENT OF SALE

This agreement of sale (the "Agreement") is made this 21 day of June 2005 ("Effective Date") by and between the Borough of Glenolden, Commonwealth of Pennsylvania (the "Borough") and PECO Energy Company (the "Company"), a Pennsylvania Corporation with offices located at 2301 Market Street, Philadelphia, Pennsylvania 19103, acting by and through its agent, Exelon Business Services Company.

BACKGROUND

A. The Street Lighting Facilities (as defined hereinafter) installed on the dedicated streets and highways in the Borough and on municipal property within the boundaries of the Borough is owned, operated and maintained by the Company; and

B. The Borough desires to purchase and the Company desires to sell the Street Lighting Facilities upon the terms and conditions contained herein.

NOW, THEREFORE, in consideration of the mutual covenants, representations, warranties and agreements hereinafter set forth, and intending to be legally bound hereby, the Parties agree as follows:

1. For the Purchase Price (as defined below) and subject to the terms and conditions herein, the Company agrees to sell to the Borough, and the Borough agrees to purchase from the Company the Street Lighting Facilities.

2. The Company will sell and transfer all of its rights, title and interest in and to its existing street lighting facilities presently located on dedicated streets and highways and on municipal property situate in the Borough and more particularly described on Exhibit A attached hereto (the "Street Lighting Facilities"). The Street Lighting Facilities consist of the following: (i) Three hundred sixty six (366) street light luminaries, existing conductors extending from the luminaries to the Company's secondary wires in the case of aerial fed light; (ii) Three hundred fifty nine (359) street light brackets; and (iii) Four (4) poles.

3. The purchase price for the Street Lighting Facilities is TWENTY NINE THOUSAND DOLLARS and 08/100 (\$29,000.08) (the "Purchase Price") payable by check made out to PECO Energy Company or by such other means as are agreed upon by the Company and the Borough.

4. The Borough acknowledges that it has examined the Street Lighting Facilities as fully as it has desired. It is expressly agreed that the Street Lighting Facilities are being sold **AS IS**. Any and all implied warranties, including implied warranties of merchantability or fitness for a particular purpose or arising from any course of dealing or usage of the trade are hereby expressly disclaimed and excluded, as well as all other obligations or liabilities on the part of the Company and its agents, employees and representatives.

5. As between the parties, title to the Street Lighting Facilities shall be deemed to have passed from the Company to the Borough as of the date of this Agreement of Sale, subject however to the approval thereof as may be required by the Pennsylvania Public Utility Commission (the "PUC") pursuant to the Public Utility Code of the Commonwealth of Pennsylvania, the PECO Energy Company Electric Service Tariff ("Tariff") and any other applicable Commission requirements.

6. Electric service for the Street Lighting Facilities has been provided pursuant to Tariff rate SL-S. Upon the Effective Date, service will be provided pursuant to Tariff rate SL-E. The Borough acknowledges that without the sale of the Street Lighting Facilities it would not qualify for rate SL-E and that the change in service is being provided with an expectation that the sale will be approved. In the

event that the proposed sale of the Street Lighting Facilities is rejected, in whole or in part, by the PUC, or the sale is set aside by the PUC, the Borough acknowledges that, with regard to any Street Lighting Facilities whose ownership is not transferred to the Borough, Public Utility Law and PUC Regulations require that the Borough pay for service to those facilities under the SL-S rate. Upon issuance of any Final Order by the PUC denying a transfer of ownership, in whole or in part, Company shall have the right and shall be entitled to recover from the Borough an amount of money equal to the difference between what the Borough paid to the Company under rate SL-E and what the Borough should have paid to the Company for electric service under rate SL-S for the applicable Street Lighting Facilities.

7. The Borough agrees to indemnify, hold harmless and defend the Company and its officers, employees, agents, and representatives, from and against: (i) any claim, demand, cause of action, loss, expense or liability on account of injury to or death of persons (including employees, workers, and agents of Borough, Company, and Borough's subcontractors and suppliers) or damage to or loss of property (including property of the Company) arising on or after the date of this Agreement of Sale, directly or indirectly out of the ownership, operation, grounding, lack of grounding, maintenance or repair of the Street Lighting Facilities, and the grounding or lack of grounding of the metal poles to which the Street Lighting Facilities are attached, or from any act or omission of the Borough or any of its sub-contractors or employees (including the actual or potential contributory or comparative negligence of any employee or agent of the Borough making such claim), including any claims, loss, or liability arising under non-delegable duties of the Company, or arising from the use or operation by the Borough or its contractors of construction equipment, tools, scaffolding, or facilities, or work-sites furnished to the Borough or its contractors by the Company, even if such claim arises in whole or in part from the negligence, fault, or other liability of the Company, whether actively or passively, and including any expenses and attorney's fees incurred by the Company for investigation, defense, and resolution of such claim and in any legal action to enforce the Borough's indemnification obligations under this article; and (ii) any claim, demand, cause of action, loss, expense or liability arising by reason of claims by governmental authorities or others (including the Borough subcontractors and employees of the Borough, the Company, subcontractors and suppliers) of any actual or asserted failure of the Borough to comply with any law, ordinance, regulation, rule or order of any governmental or quasi-governmental body, provided that compliance by Borough therewith was required under law, or otherwise, including without limitation actual or asserted failure of the Borough to comply with employee safety orders or safe work place or employment laws.

8. The Borough shall not assign its interest in this Agreement without first obtaining the prior written consent of the Company.

9. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors, and, to the extent that assignment is permitted, their assigns.

10. This Agreement shall be governed by, and construed in accordance with, the laws of the Commonwealth of Pennsylvania.

11. The entire agreement between the parties is herein written, and the parties shall not be bound by any agreements, understandings or conditions other than are expressly set forth and stipulated in this Agreement or in any subsequent written Agreement signed by the parties hereto.
