Re: Electric Generation Suppliers License A-110141

Dear Mr. Bass:

On September 13, 2000, the Commission issued a license at Docket No. A-110141, authorizing Sempra Energy Solutions the right to begin to offer, render, furnish, or supply electric generation supplier services to commercial, industrial and governmental customers in all counties within the Commonwealth of Pennsylvania.

On May 21, 2007, the Commission approved, by Secretarial Letter, the change of the name on its license for the provision of electric generation supplier services from Sempra Energy Solutions to Sempra Energy Solutions LLC (Sempra).

On November 1, 2010, Sempra filed a request that the Commission change the name on its license to provide electric generation supplier services from Sempra to Noble Americas Energy Solutions LLC (Americas).

Americas has provided proper Pennsylvania Department of State documentation and a bond or other approved security as required by this Commission.

Therefore, the Commission approves, by this Secretarial Letter, the change of Sempra's name on its license for the provision of electric generation supplier services to commercial, industrial and governmental customers in all counties within the Commonwealth of Pennsylvania, at Docket No. A-110141, to Noble Americas Energy Solutions LLC.

Sincerely,

Rosemary Chiavetta
Secretary
