Dear Mr. Alford:

As attorney for Tri-County Transportation, Inc., I would kindly ask that an Extension be granted for the filing of the Tariff as requested in your letter of September 16, 1994.

This Extension is requested due to the fact that an Amendment application is being made for the removal of conditions 1 and 3 from the existing certificate. This application will be submitted within the next few days.

If you have any questions or concerns, or if anything further is required, please advise.

Very truly yours,

DAVIS AND DAVIS
