Re: Verizon Pennsylvania Inc.
Tariff Revisions to Informational Tariff for Competitive Local Services

Dear Mr. Wood:

Commission Staff reviewed the tariff revisions, referenced below. Suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code, the tariff revisions are effective, by operation of law according to the effective dates contained on each page, and the case will be closed. However, this does not constitute a determination that the revisions are just, lawful, and reasonable, but only that suspension or further investigation does not appear warranted at this time, and is without prejudice to any formal complaints timely filed against said tariff revisions.
