PUC Docket # C-2014-2395788 ->

To whom this may concern:

On behalf of Mountain High Transportation Group Inc., I Kenneth Wimberly at this time would like to take a voluntary suspension of my PUC License due to the past few months of financial hardship. I Kenneth was unable to keep up with maintaining payments because our business has suffered in a downfall of hard times in trying to stay in business. Once I was notified by the PUC in regards to Mountain High's Liability portion of our insurance being dropped, I was not aware that my previous insurance provider Nation Wide had dropped Mountain High off their insurance policy due to the fact, I Kenneth was still making payments for two to threes months after being un-notified by Nation Wide that our insurance policy had been cancelled. I have maintained a new insurance policy since the PUC has contacted Mountain High and would still like to take a Voluntary suspension of my PUC License due our financial hardship as we work through to become a better and stronger company.
