Dear Sir:

This is to petition you for reinstatement of our PUC number. You have received the reports for the period ended December 31, 1982, and we have enclosed a check for the \$150.00 fine.

The lateness of the reports was due to the fact that the previous accountant stated that they had been filed and they, in fact, had not been done. Our new accountant has still not received all of our records.

We have also since replaced the bookkeeper because of his inability to handle all the various functions of our company on a timely basis.

We hope that after all our changes, we will be able to stay on a more current basis in our filings.

Thank you for your consideration.

Very truly yours,

Harold E. Trego
