re: Petition of Philadelphia Gas Works for Approval of its Long-Term Infrastructure Improvement Plan; Docket No. P-2012-2337737; Order Dated April 4, 2013

Philadelphia Gas Works ("PGW") Distribution System Improvement Charge Annual Reconciliation Under 1307(c) for the Year Ended December 31, 2013; Docket No. M-2014-2408253

Dear Secretary Chiavetta:

The Commission, in its above referenced order, requested "That PGW provide the estimated number of anticipated new jobs to be created for specific replacement projects with its revised DSIC tariff and to track such employment in order to have actual numbers of jobs created when the DSIC fund information is submitted for annual audit and reconciliation."

For the projects set forth in its Long Term Infrastructure Improvement Plan ("LTIIIP"), PGW estimates that the following additional full time equivalents ("FTE") will be needed for the annual LTIIIP projects:

### **Contractor FTEs:**

Pipework – 8; Excavation / Backfill Assistance – 6; and Paving – 4.

### **PGW FTEs:**

Inspectors – 5; and Field Employees – 8.

**TOTAL FTEs 31**

If you have any questions about this submission, please feel free to contact me.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Gregory J. Stunder", is written over a printed name. The signature is stylized and cursive.
