Re: Security Requirement for Utilities Marketing Group, LLC

Dear Gary,

National Fuel Gas Distribution Corporation (“NFGDC”) is aware Utilities Marketing Group, LLC (“UMC”) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, UMC must furnish acceptable security to each utility where UMC will do business. As such, under its tariff, NFGDC could require UMC to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC’s understanding that UMC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, UMC will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, UMC does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by UMC change in the future, NFGDC reserves the right to require security from UMC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7599.

Yours truly,

Nathan E. Barnes

Dear Mr. Cronin:

We understand that Utilities Marketing Group, LLC has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania including our company's service area.

Dear Mr. Cronin:

Based on your assertion that Utilities Marketing Group, LLC (“Utilities Marketing Group”) is applying with the State of Pennsylvania to operate as a natural gas broker, UGI Utilities Inc. (“UGIU”) has concluded that Utilities Marketing Group will not need to post security with UGI-Central Penn Gas (“CPG”), UGI-Penn Natural Gas (“PNG”) or UGI Utilities Gas Division (“UGI”). This is based on the declaration that Utilities Marketing Group will not be taking title to gas or directly serving end use customers. This conclusion is also contingent on the requirement that Utilities Marketing Group will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGI tariffs. If Utilities Marketing Group wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

RE: Security Requirement Bond for Utilities Marketing Group, LLC

Attention: Gary Cronin, Executive Director

Dear Mr. Cronin:

Philadelphia Gas Works (PGW) is aware that Utilities Marketing Group, LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Utilities Marketing Group, LLC must furnish acceptable security to each utility where Utilities Marketing Group, LLC will do business. As such, under its tariff Philadelphia Gas Works could require Utilities Marketing Group, LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

Re: Bonding Requirements

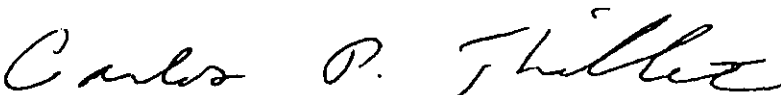

Dear Gary Cronin:

PECO is aware that Utilities Marketing Group, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Utilities Marketing Group, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Utilities Marketing Group, LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Utilities Marketing Group, LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Utilities Marketing Group, LLC or the creditworthiness requirement for PECO's exposure to Utilities Marketing Group, LLC changes in the future, PECO reserves the right to require Utilities Marketing Group, LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.
