To Whom It May Concern:

In the course of owning and operating numerous office buildings and apartments in the Pittsburgh area I became intrigued by the opportunity to receive competitive pricing for my utilities; so in early 2000 I created Electric Choice Inc. to act as a broker in between business and the suppliers. We have broker agreements with Virginia Power, Duquesne Light, Dominion and First Energy on the electric side and Hess Energy, EQT Energy and Dominion on the gas side.

Our clients range from small commercial up to very large commercial in terms of usage. We have maintained long term relationships with all of our clients, acquiring new ones along the way. Our clients are largely in Pittsburgh and the surrounding area. In order to offer our clients the best service possible and to comply with regulations we are applying for our license to be a gas and electric broker only.

Thank you for your time,

Richard Brouman
President
Electric Choice Inc.
