Dear Jenny Collier:

We are pleased that Save On Energy, LLC ("SOE") has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, SOE could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. SOE has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that SOE does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to SOE changes in the future, Columbia Gas might deem it appropriate to require SOE to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell

Re: Bonding Requirements

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Dear Jenny Collier:

PECO is aware that Save On Energy.com has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Save On Energy.com could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Save On Energy.com has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Save On Energy.com does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Save On Energy.com or the creditworthiness requirement for PECO's exposure to Save On Energy.com, changes in the future, PECO reserves the right to require Save On Energy.com to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Respectfully submitted,
