

Rosemary Chiavetta, Secretary
Pennsylvania Public Utility Commission
P.O. Box 3265
Harrisburg, PA 17105-3265

Madam Secretary:

In response to a letter dated May 6, 2014 from Darren D. Gill, a copy of which is enclosed, please find enclosed an amended Pennsylvania Act 127 Pipeline Operator Annual Registration Form for calendar year 2013 for Range Resources – Appalachia LLC. The only change to the form is the insertion of a “N/A” response to item 6 on page 1 of the form.

The aforementioned letter from Mr. Gill also inquired as to why Range Resources filed a registration form for 2013 since we claim in item 12 that “Range Resources – Appalachia LLC believes that all pipelines operated in Pennsylvania are non-jurisdictional production pipelines”. We received a courtesy phone call from the Commission on March 29, 2012, advising that we had not submitted a registration form by March 16, 2012, the deadline date for filing initial registrations under the Act for calendar year 2011. I do not have a record of the caller's name, but believe it was Chris DeMarco from the Commission's Pipeline Safety office. In that phone call, I explained that Range Resources did not believe we operated any jurisdictional pipelines and did not meet the definition of a pipeline operator under Act 127. The caller suggested that we should nonetheless file a registration form, which we submitted within 24 hours of receiving the courtesy call. Based on this guidance from the Commission, we likewise filed annual registration forms for 2012 and 2013.

Please contact me if you have any questions at (724)-743-6774 or by email at ccarlson@rangeresources.com.

I, Carl J. Carlson, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 PA. S. 4904 (relating to unsworn falsification to authorities).
