RE: Gas License A-2013-2364337

To Whom It May Concern:

American Power & Gas of Pennsylvania, LLC requests to supply natural gas to the public in the Philadelphia Gas Works territory.

Attached is a letter from PGW stating that AP&G of PA has met their financial security requirements, **this time correctly naming AP&G of PA as a "supplier" and not a "broker."**

The notarized Proof of Publication regarding our notice in the Philadelphia Daily News, pursuant to PA PUC requirements, was previously forwarded to the PUC, in March 2014.

Please amend American Power & Gas of Pennsylvania, LLC's natural gas license to include the utility Philadelphia Gas Works.

Sincerely,

Re: Security Requirement Bond for American Power & Gas of Pennsylvania, LLC

Dear Ms. Osborne:

Philadelphia Gas Works (PGW) is aware that American Power & Gas of Pennsylvania, LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, American Power & Gas of Pennsylvania, LLC must furnish an acceptable security to each utility where American Power Gas of Pennsylvania, LLC will do business. As such, under its tariff, Philadelphia Gas Works could require American Power & Gas of Pennsylvania, LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, since you are just beginning the process with the PAPUC and the Philadelphia Gas Works to become a supplier, the Philadelphia Gas Works at this time will not require any type of bond or security.

If circumstances should change during the vetting of the application, Philadelphia Gas Works reserves the right to require security from Alternative Utility Services, Inc. as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at (215) 684-6405.

Sincerely,

A handwritten signature in black ink, appearing to read "Raymond M. Snyder", is written over a horizontal line.

Raymond M. Snyder
Vice President, Gas Management
