Teresa K. Schmittberger
Counsel to the Duquesne Industrial Intervenors

Dated this 27th day of May, 2014, at Harrisburg, Pennsylvania

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Petition of Duquesne Light Company :
for Approval of Default Service Plan for : Docket No. P-2014-2418242
the Period June 1, 2015 Through :
May 31, 2017 :

**PETITION TO INTERVENE
OF THE DUQUESNE INDUSTRIAL INTERVENORS**

Pursuant to Sections 5.71 through 5.74 of the Pennsylvania Public Utility Commission's ("PUC" or "Commission") Regulations, 52 Pa. Code §§ 5.71 - 5.74, the Duquesne Industrial Intervenors ("DII") hereby file this Petition to Intervene in the above-captioned proceeding.

On April 24, 2014, Duquesne petitioned the Commission for approval of the Company's Default Service Program ("DSP") for the period June 1, 2015, through May 31, 2017. The DSP would apply to all retail customers in Duquesne's service territory.

Under the DSP, Duquesne proposes to expand its non-bypassable collection of retail market enhancement ("RME") costs, which would be collected from all customers both shopping and non-shopping. The new costs would be associated with a revised Purchase of Receivables ("POR") Plan, bidding out Duquesne's Time-of-Use ("TOU") obligations, information sharing and discussions between Duquesne and Electric Generation Suppliers ("EGSs"), and additional marketing and online customer shopping information.

In support of its Petition to Intervene, DII asserts as follows:

I. PETITION TO INTERVENE

1. DII is an ad hoc association of energy-intensive commercial, industrial and institutional customers receiving electric service in Duquesne's service territory primarily under Rate Schedules GL, L and GLH, and associated special contracts or service riders. DII has been

an active participant in many PUC proceedings addressing service terms and conditions in Duquesne's territory, recent Duquesne DSP proceedings and Duquesne's last Distribution Base Rate case.

2. For purposes of this proceeding, DII includes the companies listed in Attachment "A" hereto. As necessary, DII will update Attachment A during the course of this proceeding to reflect any changes in its membership.

3. DII members are concerned with issues regarding the terms and conditions of their electricity service, including Duquesne's proposal to collect non-bypassable RME costs from all customers. The Commission's final disposition of Duquesne's Petition will directly affect the rates applicable to DII members for default service. As Duquesne's largest customers, DII members are in a unique position to comment to the Commission on the customer impact of Duquesne's DSP for Large C&I customers. Moreover, DII is concerned that other parties to the proceeding will raise issues in the proceeding, such as collecting transmission costs via a non-bypassable rider, that may be adverse to DII members.

4. DII members have an interest in this proceeding that is not represented by any other party of record; consequently, DII satisfies the standards for intervention under Section 5.72 of the Commission's Regulations, 52 Pa. Code § 5.72.

5. The names and address of DII's attorneys are:

Pamela C. Polacek
Teresa K. Schmittberger
McNees Wallace & Nurick LLC
100 Pine Street
P.O. Box 1166
Harrisburg, PA 17108-1166
Phone: (717) 232-8000
Fax: (717) 237-5300
ppolacek@mwn.com
tschmittberger@mwn.com

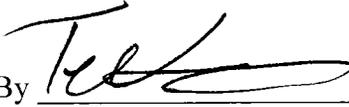

DII requests that the names and address of its attorneys be added to the Commission's and all parties' service lists. All correspondence in this proceeding from the Commission should be directed to the attention of Teresa K. Schmittberger at the address listed above.

II. CONCLUSION

WHEREFORE, for the reasons stated above, DII respectfully requests that the Commission grant this Petition to Intervene and provide DII with full-party status in this proceeding.

Respectfully submitted,

McNEES WALLACE & NURICK LLC
