Dear Mr. Judkin:

Based on your assertion that AGR Group Nevada, LLC. ("AGR") is applying with the State of Pennsylvania to operate as a natural gas broker, UGI Utilities Inc. ("UGIU") has concluded that AGR will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that AGR will not be taking title to gas or directly serving end use customers. This conclusion is also contingent on the requirement that AGR will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGI tariffs. If AGR wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service. Please feel free to contact me with any additional questions that you may have.

Sincerely

Dear Mr. Judkin:

We are pleased that AGR Group Nevada, LLC ("AGR Group Nevada") has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, AGR Group Nevada could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. AGR Group Nevada has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that AGR Group Nevada does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to AGR Group Nevada changes in the future, Columbia Gas might deem it appropriate to require AGR Group Nevada to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell

Re: Security Requirement for AGR Group Nevada, LLC:

Dear Matt,

National Fuel Gas Distribution Corporation ("NFGDC") is aware AGR Group Nevada, LLC ("AGR") has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, AGR must furnish acceptable security to each utility where AGR will do business. As such, under its tariff, NFGDC could require AGR to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that AGR intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, AGR will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, AGR does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by AGR change in the future, NFGDC reserves the right to require security from AGR as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7599.

Yours truly,

Re: Bonding Requirements

Dear Matt Judkin:

PECO is aware that AGR Group Nevada, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, AGR Group Nevada, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. AGR Group Nevada, LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that AGR Group Nevada, LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by AGR Group Nevada, LLC or the creditworthiness requirement for PECO's exposure to AGR Group Nevada, LLC changes in the future, PECO reserves the right to require AGR Group Nevada, LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Respectfully submitted,
