To Whom It May Concern,

As a not-for-profit organization, it is critical that we make the most of every dollar we spend operating our business. And with almost a million dollars in annual utility overhead, we need all the help we can get.

In the three years we have partnered with Elite Energy Group, we have gotten the help we needed and more.

Elite has migrated us out of a poorly structured supply contracts, tailor fit cost-saving ones that fit our specific needs, and as a result of a recent Utility Bill Audit, identified errors on accounts and secured a refund from the general utility of more than \$100,000.00.

I wholeheartedly recommend Elite Energy Group and their team of experts to any company that wants to be sure they are saving the most amount of money on their utility expenditures.

To whom it may concern,

With more than 250 buildings under our supervision in New York City, there is a myriad of details and requirements that demand our attention every day. Having Elite Energy Group as our strategic energy partner allows us to do what we do best, provide excellence in property management and deliver unparalleled satisfaction to our clients.

For years now, Elite has ensured that my company always maximizes its ROI when supplying cost-effective energy solutions to our properties.

In 2012, we extended our ability to provide industry-leading service to our clients when we began having Elite Energy Group perform comprehensive audits on all utility accounts under our administration.

We were amazed to discover how many errors and missed incentives were found that would have otherwise gone unnoticed, if it weren't for Elite's knowledge and experience in the area of local utility regulation and compliance.

Whether you manage hundreds of buildings or just one, I highly recommend you have Elite Energy Group to perform a Utility Account Audit on all your energy resources. You will be glad you did.
