III. PRESENTLY IDENTIFIED ISSUES

RESA is a trade association of power marketers, independent power producers, and a broad range of companies within the Mid-Atlantic marketplace, each of whom support the electric services industry and seek to develop a more competitive power industry. RESA members are licensed to sell electric energy in the markets of Pennsylvania's major electric distribution companies, including the service territory of PPL. RESA has identified the following issues that should be examined in this proceeding:

- Whether PPL's overall default service supply plan is consistent with the Commission's regulations and the Public Utility Code
- The effectiveness of PPL's default service plan to promote retail market development for the benefit of consumers in PPL's service territory
- Whether PPL's proposal to lower default hourly pricing cutoff from the current 500 kW to 100 kW is just and reasonable.
- Whether PPL's proposal to update the residential and small C&I Prices to Compare only every 6 months is consistent with the Commission's regulations and the Public Utility Code.
-
- The current operation and continuation of PPL's existing Standard Offer Program from June 1, 2015 through May 31, 2017

At this time, RESA continues to evaluate its position on and will refine its position based on further study of the proposals, review of discovery and additional input from other parties. RESA reserves the right to address other issues identified through its continued review and analysis of the filing or raised by other parties.

IV. AMOUNT OF HEARING TIME NEEDED

At this time, RESA continues to evaluate the issues in this proceeding and is currently unable to estimate the amount of hearing time that may be needed.

V. WITNESSES

At this time, RESA expects to present the testimony of the following witness:

The purpose of Mr. Hudson's testimony will be to address the issues identified above and offer recommendations for improvement. RESA reserves the right to amend this witness list as may be necessary depending on the course of the proceeding and will provide the Presiding Officer as well as the other parties in this matter reasonable notice if such amendment becomes necessary.

VI. SCHEDULE FOR SUBMISSION OF TESTIMONY, HEARINGS AND BRIEFS

RESA will cooperate with the other parties and the ALJ to facilitate a workable litigation schedule.
