TO ALL PARTIES OF RECORD:

RE: James Coppedge v. PECO Energy Company  
Docket Number F-2014-2406180

On May 1, 2014, my office received a filing from Mr. James Coppedge dated April 30, 2014, along with a personal check signed by Mr. Coppedge dated April 30, 2014, and made payable to PECO Energy for the amount of \$320.00. Please know I have forwarded the original check to the PECO Energy Company and a copy of the check has been made part of the record.

Since this case is still pending before Administrative Law Judge Mary D. Long for the issuance of a decision, the filing will be placed on the record at the above docket number. Also, a review of Mr. Coppedge's filing reveals he did not serve a copy on either the respondent party, PECO Energy, or on the presiding officer, and no certificate of service accompanied his filing. Therefore, I am serving Mr. Coppedge's filing on all parties of record and Judge Long.

Sincerely,

  
Rosemary Chiavetta  
Secretary
