RE: Act 127 Pennsylvania Pipeline Operator Annual Registration Form

Dear Secretary Chiavetta:

This letter is in response to a request by the Commission on May 14, 2014, for Angelina Gathering Company, LLC to provide the following materials in association with **Docket No. A-2012-2293993**:

- Updated Pennsylvania Pipeline Operator Annual Registration Form in correct format.
- Explanation as to why the pipeline mileage in Attachment B of this year's registration differs from the previous year's mileage registration. Specifically, explain why the reported miles of Class 1 Gathering in Bradford County was 0.0 for 2012 and 73.28 for 2013.

Please find enclosed Angelina Gathering Company's (AGC) updated Pennsylvania Pipeline Operator Annual Registration Form. In addition, the explanation for the mileage difference is as follows. The total reported Class 1 Gathering mileage on the 2012 Attachment B was 57.2 miles. Although the total was listed on the Attachment B, the boxes for each respective county were not populated (by mistake). Bradford County should have been populated with 52.2, and Susquehanna County with 5.0, equaling the listed 57.2. When the 2013 Attachment B was completed, the county boxes were correctly populated, including 73.28 miles for Bradford County. This resulted the appearance of a 73.28 mile increase, when cross-referencing only the Bradford County boxes for each year. The 21.08 mile difference represents the 2013 construction in Bradford County by AGC.

We hope this adequately explains the variations as requested by Mr. Darren Gill. As requested, we will also email this information to Stephen Jakab, and attempt to efile this response on the PUC website. Please feel free to contact me with any questions at 501-548-3786, or at max_farrell@swn.com

I, Max J. Farrell, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. 4904 (relating to unsworn falsification to authorities)

Sincerely,

Max Farrell, GIS & Regulatory Supervisor
