In Re: A-00107916 - Ace World-Wide Moving & Storage Co., application for property authority.

Dear Sir:

I am returning the application of Ace World-Wide Moving & Storage Co., along with your firm's check in the amount of \$100.00, as an application for property authority is not required.

Our records indicate that Ace World-Wide Moving & Storage Co., is currently certificated as a common carrier at A-00107916 and is in good standing with the Commission. Although the authority held prior to January of 1995, was limited as to commodity and territory, after January of 1995 the carrier was automatically granted authority:

To transport, as a common carrier, property, except household goods in use, between points in Pennsylvania.

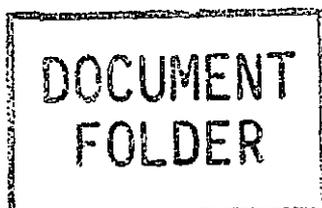

This expanded authority was granted to all carriers certificated prior to January 1995, by virtue of the Commission's Final Decision Regulation of Motor Common Carriers of Property at P-00940884, adopted December 15, 1994, and entered December 20, 1994.

You are still required to maintain insurance in compliance with Commission standards, comply with the Commission's safety requirements, and file revenue reports as required.

If you have any questions concerning this letter you may write to my attention at the above address or telephone me direct at 717-783-5946.

Very truly yours,

Tim Zeigler
