RE: Act 127 Pennsylvania Pipeline Operator Annual Registration Form

Dear Secretary Chiavetta:

This is the second letter in response to a request by the Commission on May 14, 2014, for Angelina Gathering Company, LLC to provide further information in association with **Docket No. A-2012-2293993**. On Thursday, June 5th, Mr. Stephen Jakab requested, via email, that AGC send another letter explaining why the pipeline mileage in Attachment B for the 2013 registration differs from the previous year's mileage registration.

All mileage differences are due to new construction in 2013. The increase in Class 2 pipeline is due to the construction of two projects for which more than 10 and fewer than 46 dwellings were determined to lie within 660' of the asbuilt pipeline.

We hope that this, along with the previously submitted letter dated May 28th, adequately explains the variations as requested by Mr. Gill on May 14th, and Mr. Jakab on June 5th and 17th. Please feel free to contact me with any questions at 501-548-3786, or at max_farrell@swnc.com

I, Max J. Farrell, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. 4904 (relating to unsworn falsification to authorities)

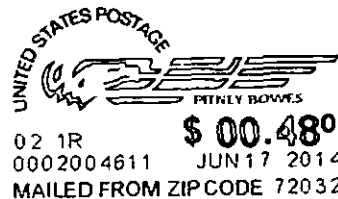

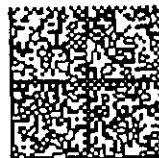

Sincerely,

Max Farrell, GIS & Regulatory Supervisor
