Dear Secretary,

Alpha is currently expanding our service territory in Pennsylvania. I have spoken with Mike Rice regarding amending our PA license to include PECO. He informed me that we are required to officially file the enclosed document from PECO before we can become a licensed supplier for them. Our application docket number is A-2013-2360403.

Please let me know if any other documents are needed.

Thank you.

Sincerely,

Energy Acquisition is providing this notification letter that Alpha Gas and Electric has met the creditworthiness business requirement involved with the Pennsylvania Gas Choice - Low Volume Transportation program, pursuant to the receipt of an initial Surety of \$35,000.00 Guaranty. The Surety may be submitted to PECO via three acceptable forms; a Cash Deposit, a Letter of Credit, or a Surety bond. PECO will hold any surety to cover potential obligations to PECO and other system costs that could result from failure of a Supplier to meet its competitive Natural Gas Supply service delivery obligations.

Please note, although the creditworthiness requirements were met, as referenced within Section 7.13 (Creditworthiness of a Natural Gas Supplier (NGS) Serving Low Volume Transportation Customers) of the Gas Service Tariff, PECO has the right to re-assess the creditworthiness of the company if PECO has any reason to suspect a change in the marketer's financial condition.

If you should have any questions regarding this matter, please contact the Electric & Gas Choice Hotline at 215-841-3700.

Sincerely,

A handwritten signature in cursive script that reads "Carol Reilly".
