RESPONDENT’S STATUS REPORT RE BANKRUPTCY PROCEEDING

Respondent Glacial Energy of Pennsylvania, Inc., (“Glacial PA”) submits the following Status Report in response to the Order of June 6, 2014. The information set forth below was provided by Alan Noskow, of Squire Patton Boggs, who is representing Glacial PA in the bankruptcy proceedings. Undersigned counsel have no reason to doubt its accuracy.

The assets of Glacial PA have been sold following a bankruptcy auction to a group named Platinum Partners. Platinum Partners submitted a higher bid than Vantage, which had been identified as the most likely buyer in the prior status report. The sale order was entered on June 17, 2014 and Platinum paid the full purchase price on June 18. No assets have transferred as of the date of this submission. It appears that the asset transfer will not take place unless and until Platinum has obtained all necessary regulatory consents or approvals including, with respect to Pennsylvania, confirmation that Platinum is an EGS licensed by the Pennsylvania PUC. Glacial will wind up its operations promptly thereafter.

Glacial PA respectfully suggests that the Bureau of Investigation and Enforcement may wish to discuss transition issues with the principals and/or counsel for Platinum Partners.

Respectfully submitted,

Robert B Hoffman
