PENNSYLVANIA-AMERICAN WATER COMPANY

Pennsylvania-American Water Company, an investor-owned water company, with corporate offices at 800 West Hershey Park Drive, Hershey, is a subsidiary of American Water Works Company, Inc. On February 1, 1989, the then-existing Pennsylvania-American Water Company (the result of the January 1, 1987 merger of Riverton Consolidated Water Company with and into Keystone Water Company) was merged with and into Western Pennsylvania Water Company, and the name of the surviving corporation was changed to Pennsylvania-American Water Company. A brief summary of each of the three predecessor companies follows.

Riverton Consolidated Water Company was formed by the merger and consolidation of six operating water companies in 1904. It subsequently acquired seven additional systems, and at the time of its merger with Keystone, supplied water to 12 municipalities on the Harrisburg west shore, Cumberland County, and Fairview Township in York County.

Keystone Water Company resulted from the 1973 merger of 14 companies with and into White Deer Mountain Water Company. The Company later acquired four systems. It provided water service in 14 eastern Pennsylvania counties through the following distribution systems: Abington, Bangor, Berwick, Frackville, Hallstead, Hershey/Palmyra, Montrose, Moshannon Valley, Norristown, Northumberland, Susquehanna, Thompson, White Deer (Milton), and Yardley.

Western Pennsylvania Water Company was the product of the merger of 16 water companies with and into South Pittsburgh Water Company at various times from 1970 to 1973. WPW added seven water distribution systems, extending its service territory into portions of 12 western Pennsylvania counties. The company operated through the following district offices: Butler, Clarion, Connellsville, Ellwood, Indiana, Kane, Kittanning, McDonald, Mon Valley, New Castle, Pittsburgh, Punxsutawney, Uniontown, Warren, and Washington.

Re: Aaron E. Glick, Jr. Subdivision in
West Caln Township, Chester County

Dear Mr. Kelly:

On behalf of Aaron E. Glick, Jr., I am requesting the properties located along Old Wilmington Road owned by Aaron E. Glick, Jr. be permitted to connect to the existing sewer main owned and operated by Pennsylvania American Water.

Mr. Glick is the owner of two (2) properties located on the south side of Old Wilmington Road at its intersection with Ash Road. There is one (1) connection to the main proposed by each property. The UPI numbers of the properties are 28-8-84 and 28-8-84.3.

The plan proposes construction of a single family detached dwelling for each lot.

If you have questions or comments please call and thank you for your continued support in this matter.

Sincerely,

Roger A. Fry, PLS
