Dear Sir:

Under date of October 6, 1988, the Secretary's office transmitted to you the Commission's compliance order of September 29, 1988, evidencing approval of your application at A-00108084, which is in effect a transfer of the rights formerly held by Joseph N. Sparacino, t/d/b/a Joseph N. Sparacino Trucking, at A-00092104. The letter transmitting the order directs attention to the requirement for the filing of a tariff.

PA Code, Title 52, Section 23.13(c) provides that in the case of change in ownership, etc., if feasible to do so, the tariffs of the former operator shall be adopted by the new operator, and no change in rates is permitted to cover the transfer of rights.

In this instance it is not possible to meet the tariff requirements by the adoption of the former tariff for the reason that the present tariff description of operating authority does not conform with the approval of this application.

It will be necessary, therefore, to file a new tariff which should be designated Freight - PA PUC No. 1. The tariff should name the same rates, rules and regulations as were filed by the former operator and may be issued to become effective on one days notice under authority of PA Code, Title 52, Section 23.42.

We notice that rates for a part of the authorized service of Joseph N. Sparacino, t/d/b/a Joseph N. Sparacino Trucking are provided in tariffs published by Tristate Household Goods Tariff Conference, Inc., Agent. Should you elect to participate in the agency publications, two copies of a suitable power of attorney should be included with the filing. If you do not elect to participate in the agency publications, a new tariff(s) should be filed containing the same rates, rules and regulations published by the agency for a minimum of 30 days.

Very truly yours,
Barry L. Ernst, Director
Bureau of Transportation
