Re: Petition of PPL Electric Utilities Corporation for Approval of a Default Service Program and Procurement Plan for the Period June 1, 2015 through May 31, 2017 Docket No. P-2014-2417907; WITHDRAWAL OF LETTER MOTION FOR RECONSIDERATION OF PROTECTIVE ORDER ENTERED JULY 16, 2014

Dear Secretary Chiavetta:

On Friday, July 18, 2014, the undersigned filed a Letter Motion for Reconsideration of the Protective Order issued July 16, 2014 (the "Protective Order") in the above-referenced proceeding, seeking the reconsideration of one specific section of the Protective Order on behalf of FirstEnergy Solutions Corp. ("FES"). More specifically, FES sought to have Section 6(i) of the Protective Order changed to follow the language in the form of the proposed protective order attached to the Motion for a Protective Order, filed by PPL Electric Utilities Corporation on June 10, 2014, and to have the Protective Order corrected to provide as follows:

6. Information deemed as 'HIGHLY CONFIDENTIAL PROTECTED MATERIAL', may be provided to a "Reviewing Representative" who has signed a Non-Disclosure Certificate and who is:

(i) An attorney for a statutory advocate pursuant to 52 Pa. Code § 1.8 or a counsel who has made an appearance in this proceeding for a party;

The Protective Order notes that it was intended to adopt the proposed protective order of the Motion for a Protective Order "without modification." See Protective Order, p. 2.

As the actual language from Section 6(i) of the Protective Order differs from the language noted above and as the inclusion of that language appears to be a clerical or administrative mistake, it appears that the matter can be corrected administratively and that the Letter Motion for Reconsideration is not needed. Accordingly, I respectfully request that the Letter Motion for Reconsideration be withdrawn and that Administrative Law Judge Susan D. Colwell, ministerially correct section 6(i) of the Protective Order so that it provides the language noted above.
