Re: Application of R. P. Blair Equipment Rental, Inc. at A-00107697

To Whom It May Concern:

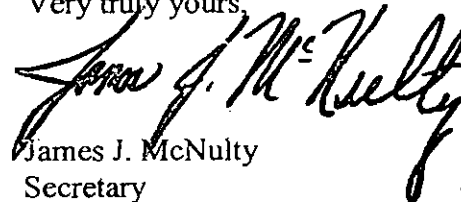

By Secretarial Letter dated May 15, 2006, the Commission cancelled the Certificate of Public Convenience of R. P. Blair Equipment Rental, Inc. at A-00107697, upon the certificate holder's request. The certificate holder completed the cancellation request section on its annual assessment report.

This Commission has the power to rescind a Secretarial Letter in light of newly discovered evidence or a change of circumstances which justify reconsideration.

On May 19, 2006, the certificate holder contacted the Commission requesting that the cancellation be rescinded. Our investigation revealed that certificate holder did not intend to request cancellation of its certificate, but had mistakenly completed the cancellation section of the assessment report. Therefore, the May 15, 2006 cancellation of the Certificate of Public Convenience of R. P. Blair Equipment Rental, Inc. at A-00107697, is hereby rescinded.
