Docket No.  
A-00108228

O R D E R

BY THE COMMISSION:

On October 6, 1988, F. Ambrose Moving, Inc. (Ambrose) was granted authority at A-00108228 for a transfer of the rights authorized under the certificate of public convenience issued at A-00090678, F.3. The rights granted read as follows:

1. To transport, as a Class D carrier, coal, coke and crushed stone between points in the borough of Media, Delaware County, and within an airline distance of ten (10) statute miles of said point.
2. To transport, as a Class D carrier, property, excluding household goods and personal effects in use, between points in the borough of Media, Delaware County and within an airline distance of ten (10) statute miles of the Media Courthouse;

with right number 2 subject to the following condition:

That no right, power or privilege is granted to transport to, from or between points in the city of Philadelphia.

3. To transport, as a Class D carrier, household goods and personal effects in use,

between points within an airline distance of ten (10) statute miles of Media Courthouse and from said points to points within an airline distance of twenty-five (25) statute miles of said courthouse.

4. To transport, as a Class D carrier, household goods, works of art, fixtures, office furnishings, plant equipment and furnishings, in use or to be used, between points in the county of Delaware and from said points to points in Pennsylvania and vice versa;

with right number 4 subject to the following condition:

That no right, power or privilege is granted to transport from, to or between points in the townships of Edgmont, Upper Providence, Marple, Newton, Radnor and Haverford, Delaware County.

5. To transport, as a Class B carrier, household goods and office furnishings in use, between points in the city and county of Philadelphia.

6. To transport, as a Class D carrier, household goods and office furnishings, in use, from points in the city of Philadelphia to points in Pennsylvania within an airline distance of twenty-five (25) statute miles of the Philadelphia City Hall and vice versa.

subject to the following general conditions:

1. That the approval hereby given is not to be understood as committing the Commission, in any proceedings that may be brought before it for any purpose, to fix a valuation on the property and rights to be acquired by applicant from the present certificate holder equal to the consideration to be paid therefor, or equal to any value that may be placed thereon by applicant, or to approve or prescribe rates sufficient to yield a return thereon.

2. That applicant shall not record in its utility accounts any amount representing the rights herein granted in excess of the actual

cost of such rights to the original holder thereof.

3. That the applicant charge to Account 1550, Other Intangible Property, \$14,000, being the amount of the consideration payable by it for the rights and going concern value attributable thereto; less any amount recorded under condition 2 above; and subject to further adjustment due to any normal interim transactions to the date of actual transfer.

4. That the operating authority granted herein, or now held or subsequently granted to the applicant to the extent that it is duplicative shall not be construed as conferring more than one operating right.

5. That the certificate holder shall not transfer, sell or in any way convey any of its outstanding capital stock to any individual, partnership, corporation or any entity, without the prior filing of an application and approval thereof by the Commission under 66 Pa. C.S.A. §1102(a)(3).

The words "and vice versa" were inadvertently omitted in right number 3 after the last word in that paragraph ("courthouse") and the word "Newton" was misspelled in the conditioning paragraph of right number 4.

By Letter-Petition filed October 17, 1988, Ambrose requests this Commission to issue a corrected Order which includes the words "vice versa" and spells "Newtown" correctly.

It is clear that the words "vice versa" were intended to be included in our October 6, 1988 Order. Ambrose's authority should be amended to include that clause. Without such an amendment, Ambrose would not be able to provide the continued service previously granted and provided. It is also clear that "Newton" was misspelled and should read "Newtown"; THEREFORE,

IT IS ORDERED: That the Petition for Reconsideration of our Order entered October 6, 1988, filed by F. Ambrose Moving, Inc. on October 17, 1988, is hereby amended to grant the following rights:

1. To transport, as a Class D carrier, coal, coke and crushed stone between points in the borough of Media, Delaware County, and within an airline distance of ten (10) statute miles

of said point.

2. To transport, as a Class D carrier, property, excluding household goods and personal effects in use, between points in the borough of Media, Delaware County and within an airline distance of ten (10) statute miles of the Media Courthouse;

with right number 2 subject to the following condition:

That no right, power or privilege is granted to transport to, from or between points in the city of Philadelphia.

3. To transport, as a Class D carrier, household goods and personal effects in use, between points within an airline distance of ten (10) statute miles of Media Courthouse and from said points to points within an airline distance of twenty-five (25) statute miles of said courthouse and vice versa.

4. To transport, as a Class D carrier, household goods, works of art, fixtures, office furnishings, plant equipment and furnishings, in use or to be used, between points in the county of Delaware and from said points to points in Pennsylvania and vice versa;

with right number 4 subject to the following condition:

That no right, power or privilege is granted to transport from, to or between points in the townships of Edgmont, Upper Providence, Marple, Newtown, Radnor and Haverford, Delaware County.

5. To transport, as a Class B carrier, household goods and office furnishings in use, between points in the city and county of Philadelphia.

6. To transport, as a Class D carrier, household goods and office furnishings, in use, from points in the city of Philadelphia to points in Pennsylvania within an airline distance of twenty-five (25) statute miles of the Philadelphia City Hall and vice versa.

subject to the following general conditions:

1. That the approval hereby given is not to be understood as committing the Commission, in any proceedings that may be brought before it for any purpose, to fix a valuation on the property and rights to be acquired by applicant from the present certificate holder equal to the consideration to be paid therefor, or equal to any value that may be placed thereon by applicant, or to approve or prescribe rates sufficient to yield a return thereon.

2. That applicant shall not record in its utility accounts any amount representing the rights herein granted in excess of the actual cost of such rights to the original holder thereof.

3. That the applicant charge to Account 1550, Other Intangible Property, \$14,000, being the amount of the consideration payable by it for the rights and going concern value attributable thereto; less any amount recorded under condition 2 above; and subject to further adjustment due to any normal interim transactions to the date of actual transfer.

4. That the operating authority granted herein, or now held or subsequently granted to the applicant to the extent that it is duplicative shall not be construed as conferring more than one operating right.

5. That the certificate holder shall not transfer, sell or in any way convey any of its outstanding capital stock to any individual, partnership, corporation or any entity, without the prior filing of an application and approval thereof by the Commission under 66 Pa. C.S.A. §1102(a)(3).

IT IS FURTHER ORDERED: That the applicant shall not engage in any transportation granted herein until it has complied with the requirements of the Pennsylvania Public Utility Code and the rules and regulations of this Commission relative to the filing and acceptance of evidence of insurance and a tariff establishing just and reasonable rates.

IT IS FURTHER ORDERED: That upon compliance with the requirements above set forth; a certificate shall issue evidencing the Commission's approval of the right to operate as above-determined.

IT IS FURTHER ORDERED: That the temporary authority application be dismissed.

IT IS FURTHER ORDERED: That in the event said applicant has not, on or before sixty (60) days from the date of the service of this order, complied with the requirements hereinbefore set forth, the application shall be dismissed without further proceedings.

IT IS FURTHER ORDERED: That upon compliance with this order, the rights granted the transferor, Stillwater of Media, Pa., Inc. at A-00090678, F.3 be cancelled and the record be marked closed.

BY THE COMMISSION,

  
Jerry Rich  
Secretary
