

Dear Ms. Chiavetta,

I am writing in response to a complaint filed against me, Docket No. C-2014-2428768. I obtained a limousine license last November. I had trouble finding customers and couldn't afford to continue paying my commercial insurance premium. I thought that the PUC would then cancel my license. I reinstated my personal insurance. I know now that I should have contacted the PUC. I apologize. I've been in New York looking after a family member. I tried to E-file my response using a library computer but failed. My wife set up an account using the Pittsburgh computer but failed to get a confirmation number when she tried to submit. I'm sorry for the trouble. Any consideration I would be grateful.
