AND NOW, this 18 day of JUNE, 2014, following hearing and upon  
consideration of Pa. R.C.P. 1531 and PPL Electric Utilities Corporation's Petition for a

- (a) PPL Electric has a reasonable probability of success on the merits;
- (b) PPL Electric is suffering immediate and irreparable injury, which is not fully compensable in money damages;
- (c) Greater injury would result by refusing the request for injunctive relief than by granting such relief;
- (d) The public interest would not be adversely affected by the grant of the requested relief. On the contrary, the public interest is served by granting injunctive relief;
- (e) PPL Electric has no adequate remedy at law; and
- (f) PPL Electric has not previously sought, without success, this or any similar form of relief against Defendant.

It is hereby **DECREED** that PPL Electric's Petition for a Preliminary Injunction is  
**GRANTED**, and the Defendants are directed to:

- 1) Cease from all attempts to limit and control PPL Electric's right of ingress and egress to the 150 foot Right of Way and Easement held by PPL Electric Utilities Corporation;
