Dear Ms. Chiavetta

I had a stroke and I didn't think I would be able to keep my truck, so I left the insurance expire. But, since then my doctor bills are so high, my husband and I talked it over & we decided we need the extra money to pay my bills. So we are going to try our best.

Therefore I purchased insurance on the truck and we hope to get a little business this summer.

I will call my new insurance company & have them send you the form you need from them.

Would you please help me keep my PK # A-00121534? I appreciate any help you can give me.

Thank you.
